

AFTERCARE

Our aftercare program is offered for our families needing extra care for their children after the school day is over. We provide a safe and FUN environment. We help with any written homework and LOTS of play time with fellow school buddies.

Reminders

Snacks should be sent in for your child to have at aftercare. Our program will be in room 1-1, conveniently by restrooms and access to our playground. We aim to play outdoors as much as the weather allows us. Any day OLP closes for a Holiday, there will be NO AFTERCARE that day. Also, if OLP dismisses early for inclement weather AFTERCARE will also be CANCELLED.

*An email MUST be sent to me to let me know your child will be attending aftercare. For the safety of your children and our peace of mind if changes occur throughout the day where they will or will not be attending aftercare please let their homeroom teachers know, as well as the office.

PROGRAM PRICING

1 individual child \$14 PER HOUR
2 siblings \$10 per child PER HOUR
