

# WEDNESDAY isn't just HUMP DAY ...it's Smart \$ @ OLP

What's available to  
you for purchase?

How does it work?

The retailers sell Gift Cards to OLP at a discounted rate, we in-turn sell them to the Families for the Face Value. The discount given by the retailer is where your credits come from. The school does retain a portion of the credit maintain the program and pay for shipping expenses. The Family/School split is 80/20, you collect 80% and the school retains 20%. Keep in mind, there is **not** processing fee for orders to the raiseright.com site, the Smart Money Program absorbs the FedEx charges.

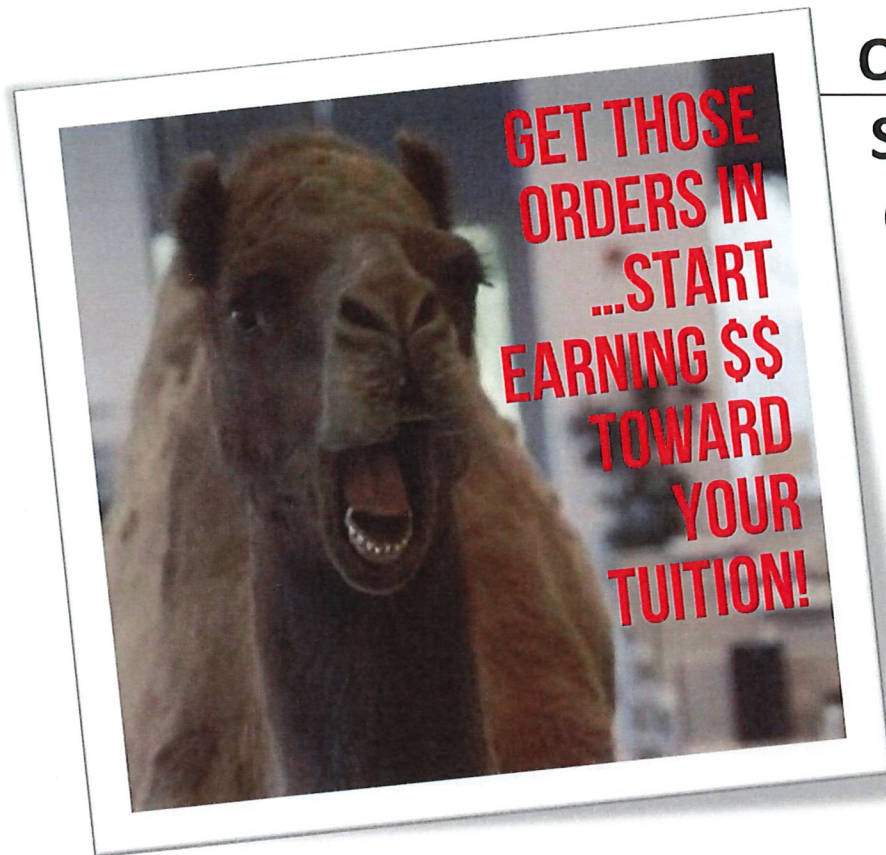

## When & where can it be purchased?

**OLP MAIN OFFICE:** During the School Year, Smart Money can be purchased Wednesdays by sending in your order & payment to Our Lady of Peace Main Office. It will be filled and returned the NEXT DAY for items that are **ON-HAND**.

**SPECIAL ORDERS** are placed on **Wednesdays** – send in your receipt from the [www.raiseright.com](http://www.raiseright.com) website along with your payment, it will be processed, filled and returned to you **THE FOLLOWING WEDNESDAY**. eCard orders & reloads are processed Wednesday mornings and available for use by the next day.
